

An Evening with Tony Dyson

THE MAN WHO BUILT R2D2

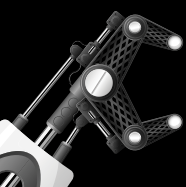

MODERATED BY LAW PROFESSOR RYAN CALO

Friday, April 10, 7:00-8:00 pm

WILLIAM H. GATES HALL ROOM 138, UNIVERSITY OF WASHINGTON **FREE**

#WEROBOT

Tony Dyson builds robots. In addition to building R2-D2 for Star Wars (and supervising special effects for The Empire Strikes Back and Superman 2), Tony has designed and built robots for some of the largest electronic companies in the world, including Sony, Philips and Toshiba. Join us in conversation with Tony as he reflects upon his amazing career. This event is part of the Tech Policy Lab Distinguished Lecture Series as well as the keynote of We Robot 2015.
